For **FOURTEEN SEASONS**, The Flea Theater has stood at the vanguard of work that is sometimes experimental, sometimes traditional, and yet always progressive and intriguing. Our home in TriBeCa is bursting at the seams with theater, dance and music as we continue to engage seasoned professionals alongside emerging artists in a rare and wonderful dialogue. The Flea's mission applies to all disciplines: presenting work that is edgy, distinctive, reflective of our time, and representative of the highest Off-Off-Broadway standards. We thank you for coming and hope you will keep coming back!

Our season of
